Dear Hawker Beechcraft Supplier:

I am writing to you today to announce the finalization of Raytheon Company's sale of Raytheon Aircraft Company to Onex Partners and GS Capital Partners, an affiliate of Goldman Sachs. For the first time in more than a quarter of a century, we are an independent private company. Your partnership is important to us, and I wanted to be the first to welcome you to the Hawker Beechcraft family.

From the pioneering flights of the very first Beechcraft Model 17 to the breathtaking performance of today's Hawker 4000, our company is rich in heritage, achievement and innovation.

I am pleased to say that today our company is stronger than ever – as is our commitment to our many valued customers worldwide. The relationships we have with our key partners are critical to our future, and we are counting on you to deliver on your commitments to assure our continued collective success.

This is a great time to be in the general-aviation business – we have an exciting future ahead of us as Hawker Beechcraft Corporation.

If you have any questions, please do not hesitate to contact me directly or Brad Widmann, vice president integrated supply chain, at brad_widmann@hawkerbeechcraft.com or +1.316.676.5945.

With best regards,
